

AP World History

Mrs. Shams

Summer 2017 Assignment

You are to write an LEQ (Long Essay Question) (focusing on the first period of World History 8000-600B.C.E such as the Neolithic Revolution) addressing/establishing the following components:

- Thesis; a probable argument based off of evidence found in your text book.
- Contextualization; elaborating the defining feature of the particular time period (Technological and Environmental Transformations) in essence a synopsis of what is going on.
- Argumentation; utilizing facts from your textbook to argue/ defend your thesis.
- Conclusion; reiterating the previous components and establishing a conclusion.

A Long Essay is comprised of 5 paragraphs. You must include references, in Chicago Turabian Format. This is due upon your arrival. You may find a rubric from College Board for an LEQ.
